Budget and Statement of Revenue Policy

2024-2025

The Central NSW Joint Organisation's revenue and accounting policies are kept in accordance with the Australian Accounting Standards Board. CNSWJO abides by the:

- *Local Government Act (1993)*
- *Local Government (General Regulation 2005)*
- *Local Government Code of Accounting Practice & Financial Reporting*

1. Financial Contributions by Member Councils

Financial contributions by member councils fall into two categories. Firstly, membership fees are levied from all member councils in order to perform the principal functions of delivering on strategic regional priorities, regional leadership and intergovernmental cooperation. The second category is for contributions from participating councils for a program of other functions enhancing strategic capacity and direct service delivery. Strategic work by the Joint Organisation will determine the nature of this program. [Strategic Planning - Central Joint Organisation \(nsw.gov.au\)](https://www.nsw.gov.au/strategic-planning)

As outlined in its Charter, the Central NSW Joint Organisation (CNSWJO) member councils must contribute financially based on the following methodology:

- a. The annual financial contribution required to be made by each member council is to consist of:
 - i. base fee of the same amount for each Member Council; and
 - ii. a capitation fee [based on the population number drawn from ABS census figures].
- b. The annual financial contribution required to be made by each associate member is to be based on a methodology adopted by the Board.
- c. The amount of the base fee, capitation fee and financial contribution by associate members for a financial year is to be determined prior to the start of that year by Resolution of the Board.

For 2024-2025, contributions from member councils of the Joint Organisation of \$964,909 has been determined with the following breakdown:

- Membership & Administration: \$369,984
- Membership of various programs: \$594,925
